I can't say no
You got me face down on the floor
I won't breathe
Until you tell me how to feel
So many jewels
I'm part of a collection that you pull
It's time to sell
But I won't give up my share in you
I'm into you for the pain, just for the pain
I don't wanna let you out
You got nowhere better to go
I don't wanna shut you out (I don't wanna wear you out)
I want you in my system
Hang on the line
I drink poison everytime
You lift me up
Then you tease me until I'm down
I'm into you for the pain, just for the pain
You're into me for the game, just for the game
I don't wanna let you out
You got nowhere better to go
I don't wanna shut you out (I don't wanna wear you out)
I want you in my system
