Yeah yeah yeah I want to do things to you
I don't want to go home
I didn't like you 2 hours ago
But something's changed and now you move me
I can't remember you name
Champagne's making me lose my game
Now I'm waiting for you
As the party's disappearing
I'm thinking maybe we can hook up
I don't want to hang out
Maybe we can hook up
If only for a minute
We could be in love right now
Yeah yeah yeah do you want to do things to me?
Yeah yeah yeah are you gonna do things to me?
Now let's go home
I see you walking my way
Talking to the girl DJ
Don't leave me to my vices, I can't remember my way
home
Something in your eyes say "maybe we can hook up"
I feel the danger I'm in
If only for a minute
I want to be in love right now
Yeah yeah yeah I want to do things to you
Yeah yeah yeah I'm gonna do things to you
Now let's go home
I wake up thinking "why are you still here?"
You don't deserve me
I had to stay up all night, listening to your dreams
If only for a moment
I could feel love right now
Yeah yeah yeah you wanna do things to me
Yeah yeah yeah you're gonna do things to me
Take me home
