I feel so bad
Need you to let me down again
But you act different, things are strange
You say I'm special, I don't feel that way
I was never good enough for you, didn't we agree?
Now you go and change your point of view
And take the best of me
I'm sorry, but I found a new vampire
Your love may take me too high yeah
We could get away, with so much more than we fake
The perfect boy on paper wants the perfect girl he can
break
I was never good enough for you, didn't we agree?
Now you go and change your point of view
And take the best of me
I'm sorry, but I found a new vampire
Your love may take me too high yeah
I feel so cold, so comfortable
Cuz we don't fit in
So don't be smitten, change your ways
The unattainable always pays
I was never good enough for you, didn't we agree?
Now you go and change your point of view
And take the best of me
I'm sorry, but I found a new vampire
Your love may take me too high yeah
I want a new vampire
