There are promises you could not keep
You didn't even try
And that's no way
To live your life
Something's hidden in your past
Preacher pray for me
It's gonna be black again some day
All of the lies you're sending
How many times can you break me?
Until I turn it around

Wake up your mind
Wake up your mind
You're wasting time, what, are you looking for
Wake up your mind
Wake up your mind

Empty moments that you share with me
A worthless life
You're leading me on
Watch the curtain finally falling down
Is your life a circus?
Did you send me the clown?

Wake up your mind
Wake up your mind
You're wasting time, what, are you looking for
Wake up your mind
Wake up your mind

Love, Peace, War, Hate, Words
No, they mean nothing to me
Love, Peace, War, Hate, Words
No, they mean nothing to me
Sleeping, I watch you sleeping
Wake up your mind

Wake up your mind
Wake up your mind
You're wasting time, what, are you looking for
Wake up your mind
Wake up your mind

Wake up your mind
Wake up your mind
You're wasting my time
You're wasting my time
You're wasting my time

Love, Peace, War, Hate, Words
No, they mean nothing to me
Love, Peace, War, Hate, Words
No, they mean nothing to me
