I'll never be alone, be alone, be alone,  
Cause you are in my soul, in my soul, in my soul  
I'll never make you cry, make you cry, make you cry  
You give me sunrise with your smile [x 2]

I'll never be alone...

Turn the lights  
A lil' down low  
We can be together  
Turn the lights a little bit  
So we can go slow  
And we can be forever.  
Give me a whole life  
We gotta be together ever moonlight  
I hold you so tight  
Till morning and the sun  
Will be our moonlight

I'll never be alone, be alone, be alone,

Cause you are in my soul, in my soul, in my soul  
I'll never make you cry, make you cry, make you cry  
You give me sunrise with your smile x2

I'll never be alone...

I'll never be alone...

I'll never be alone, be alone, be alone,  
Cause you are in my soul, in my soul, in my soul  
I'll never make you cry, make you cry, make you cry  
You give me sunrise with your smile  
I'll never be alone...

Give me all your love, love, love, love, love  
And I'll give you mine  
AlrÃ¬ght [x 4]

I'll never be alone...

Cause you are in my soul, in my soul, in my soul  
I'll never make you cry, make you cry, make you cry

You give me sunrise with your smile x2

I'll never be alone...

I'll never be alone...

I'll never be alone, be alone, be alone,  
Cause you are in my soul, in my soul, in my soul  
I'll never make you cry, make you cry, make you cry  
You give me sunrise with your smile  
I'll never be alone...

Give me all your love, love, love, love, love  
And I'll give you mine  
Allrighr [x 4]

I'll never be alone..
