Look down, look down  
That lonesome road  
(Lay down your head and cry)  
Before you travel on

Look up, look up  
And seek your maker  
Before Mr. Gabriel blows his horn

I'm weary of toting such a heavy load  
Trudging down the that lonesome road

Look down, look down  
That lonesome road  
Before  
(Before)  
You travel on

True love, true love  
What have I done  
That you should treat me so

You caused me  
To walk and talk  
Like I never did before

I'm weary of toting such a heavy load  
Trudging down the that lonesome road

Look down, look down  
(Look down, look down)  
That lonesome road

Before  
(Before)  
You decide to travel on
