We were strangers, starting out on a journey  
Never dreaming, what we'd have to go through  
Now here we are, I'm suddenly standing  
At the beginning with you

No one told me, I was going to find you  
Unexpected, what you did to my heart  
When I lost hope  
You were there to remind me  
This is the start

Chorus:

And life is a road and I wanna keep goin'  
Love is a river I wanna keep flowing  
Life is a road now and forever wonderful journey  
I'll be there when the world stops turning  
I'll be there when the storm is through  
In the end I want to be standing  
At the beginning with you

We were strangers on a crazy adventure  
Never dreaming how our dreams would come true  
Now here we stand, unafraid of the future  
At the beginning with you  
(Repeat Chorus)

Knew there was somebody somewhere  
I need love in the dark  
Now I know my dream will live on  
I've been waiting so long  
Nothing is going to tear us apart  
(Repeat Chorus)

Life is a road and I wanna keep goin  
Love is a river I wanna keep flowin

(Belldadny alone) Starting out on a journey

(Both continue it)

In the end I want to be standing at the beginning  
With you...
