We were strangers, starting out on a journey
Never dreaming, what we'd have to go through
Now here we are, I'm suddenly standing
At the beginning with you

No one told me, I was going to find you
Unexpected, what you did to my heart
When I lost hope
You were there to remind me
This is the start

Chorus:

And life is a road and I wanna keep goin'
Love is a river I wanna keep flowing
Life is a road now and forever wonderful journey
I'll be there when the world stops turning
I'll be there when the storm is through
In the end I want to be standing
At the beginning with you

We were strangers on a crazy adventure
Never dreaming how our dreams would come true
Now here we stand, unafraid of the future
At the beginning with you
(Repeat Chorus)

Knew there was somebody somewhere
I need love in the dark
Now I know my dream will live on
I've been waiting so long
Nothing is going to tear us apart
(Repeat Chorus)

Life is a road and I wanna keep goin
Love is a river I wanna keep flowin

(Belldadny alone) Starting out on a journey

(Both continue it)
In the end I want to be standing at the beginning
With you...
