Up with the sun to try and seek a sign.
The perfect power that is the divine.
I say your name most every day,
With your power I will display.
What I wanted to say.
And from the scroll, I'll take the final line.
The perfect power that is arcane design.
I'll do everything I can, to make the fire flow from my
hands.
It's what I wanted to say, it's what I wanted to...
I'll do everything I can, to make the fire flow from my
hands.
It's what I wanted to say, it's what I wanted to.
