(Cabaniss - Quinton)

I'm the ghoul king

Of a million dead souls

I'm erotic language

That was blessed in hell

Should have said goodbye

When you saw those empty eyes

I know that you're watching

When i'm looking away

You got some sweet surprises coming again

Whispered prayers won't keep you safe from harm

Never recognize my bad luck charm

Bleeding deep inside honey?

Crawl away and hide

I'm ready when you're ready

Come out and play

I'll be carving notches in my gun all day

Whispered prayers won't keep you safe from harm

Never recognize my bad luck charm

I'm living on a bad luck charm
