(Dee Dee Ramone/Daniel Rey)

No one ever thought this one would survive.

Helpless child, gonna walk a drum beat behind.

Lock you in a dream, never let you go.

Never let you laugh or smile, not you.

I just want to walk right out of this world,

'cause everybody has a poison heart.

I just want to walk right out of this world,

'cause everybody has a poison heart.

Making friends with a homeless torn up man,

He just kind of smiles, it really, shakes me up.

There's danger on, every corner but I'm okay.

Walking down the street trying to forget yesterday.

I just want to walk right out of this world,

'cause everybody has a poison heart.

I just want to walk right out of this world,

'cause everybody has a poison heart.

You know that life really takes it's and a poets

Gut reaction is to search his very soul.

So much damn confusion before my eyes,

But nothing seems to phase me and this one still survives.

I just want to walk right out of this world,

'cause everybody has a poison heart.

I just want to walk right out of this world,

'cause everybody has a poison heart.
