(Bators - Secich)  
Uniforms of catholic girls  
Give me such a great big thrill  
Achieving airlocks the only way to think  
Hollywood high school yards  
Makes my bag of candy hard  
Got a ball point pecker loaded with inedible ink  
And i'm ready anytime  
Call me day or night  
Waiting over here for you  
Cause i'm ready anytime  
Sitting in my hotel room  
With ecstatic elastic tickle your womb  
It's a curduroy condom  
A groovy kind of love  
Now i'm not afraid to die  
Cause i know there's sex after death  
Everyone gets laid in coffin  
Am i right? right!!  
I'm ready at the sperm of the moment  
Thanks for mammaries
