Everywhere you run, you run, you will not be heard.  
Say that's fine, you change your mind, you wont sound  
so hurt  
You're doing fine, you're really alright  
I can't believe that now's the time you're back on your  
word

Do you believe that now's the time  
Do you believe it now

You're so lovely when the sun goes down  
You're so love I should phase her out  
You're so lovely even time stands still  
Who loves you  
It's everywhere  
It's everyone

Tell me your best kept secret and I'll tell you mine  
But now you tell me that you wont  
Well you're so easy and you're so right  
Keep this one between us; hell two's a delight

Do you believe that now's the time  
Do you believe it now

You're so lovely when the sun goes down  
And you're so I should phase her out  
You're so lovely even time stands still  
And who loves you  
It's everywhere  
It's everyone

Do you believe it now's the time  
Do you believe it now

You're so lovely when the sun goes down  
And you're so I should phase her out  
You're so lovely even time stands still  
And who loves you  
It's everywhere  
It's everyone

It's everyone, oh  
It's everyone  
It's everyone
