(Cabaniss - Quinton)

i'm the ghoul king
of a million dead souls
i'm erotic language
that was blessed in hell
should have said goodbye
when you saw those empty eyes
i know that you're watching
when i'm looking away
you got some sweet surprises coming again
whispered prayers won't keep you safe from harm
never recognize my bad luck charm
bleeding deep inside honey?
crawl away and hide
i'm ready when you're ready
come out and play
i'll be carving notches in my gun all day
whispered prayers won't keep you safe from harm
never recognize my bad luck charm
i'm living on a bad luck charm
