(Dee Dee Ramone/Daniel Rey)

No one ever thought this one would survive.  
Helpless child, gonna walk a drum beat behind.  
Lock you in a dream, never let you go.  
Never let you laugh or smile, not you.  
I just want to walk right out of this world,  
'cause everybody has a poison heart.  
I just want to walk right out of this world,  
'cause everybody has a poison heart.  
Making friends with a homeless torn up man,  
He just kind of smiles, it really, shakes me up.  
There's danger on, every corner but I'm okay.  
Walking down the street trying to forget yesterday.  
I just want to walk right out of this world,  
'cause everybody has a poison heart.  
I just want to walk right out of this world,  
'cause everybody has a poison heart.  
You know that life really takes it's and a poets  
gut reaction is to search his very soul.  
So much damn confusion before my eyes,  
but nothing seems to phase me and this one still  
survives.  
I just want to walk right out of this world,  
'cause everybody has a poison heart.  
I just want to walk right out of this world,  
'cause everybody has a poison heart.
