I get a feelin' through and through,  
Tellin' me that love is comin' on,  
My head starts spinnin' round and round,

'Cause a heartbeat, it's a lovebeat,  
And a lovebeat is a good vibration,  
Oh a heartbeat it's a lovebeat,  
And when we meet, it's a good sensation,  
Listen!

Pictures pass before my eyes,  
Like a vision in disguise,  
Tryin' to explain the way I feel,  
And there's a movement in my mind,  
Like a rhythm counting time,  
Breakin' down all my defenses,  
Overcoming all of my senses,  
oh (CHORUS)

Temperature is risin',  
Girl, there's no disguisin',  
that a (CHORUS..)
