Sweet sweet Loretta
You know I love you better
Than any one of those other guys
Who look at you with those sparklin' eyes

Sweet sweet Loretta
Our love will last forever
Just as long as you stay by my side
I'll be so happy for the rest of my life

When the kids all go to the rock after school
and we're really on our own
You look at me , ooh, ooh
You never ever alone me alone

(Repeat Verse 1)

When the boys ride by and they joke us around
And we're walking side by side
You look at me , whoa, whoa
You tell them I'm your only guy

(Repeat verse 1)
