If you won't take my calls  
and you won't answer my Knock  
There must be something wrong  
but, girl, now how can we talk?

#### CHORUS

Why don't you write me a letter?  
the sooner the better  
All of this uncertainty is really hurtin' me

I asked your friends and neighbors  
if they'd seen you around  
The way they shake their heads  
I think you're puttin' me down

(Repeat chorus)

I left you on Monday, you said everything's fine  
I tried to reach you Tuesday on the telephone line  
Wednesday through to Friday I've been trying to find  
Just exactly what's on your mind

(Repeat)

I'm lookin' for replacements  
for our Saturday date  
So use your pen and paper  
baby, don't hesitate
