Jesus, I love you, my Lord, my life
Where would I be without you?
Here in the quiet, the still, the night,
I am in awe of You.
Trials may come and friends they may go
What really matters is You, my Lord.
Beautiful savior, my God, my Friend
I am in awe of You
Lord, I am in awe of you.
Trials may come and friends they may go
What really matters is You, my Lord.
Jesus, I love you, my Lord, my life
Where would I be without you?
Here in the quiet, the still, the night,
I am in awe of You.
Why would you, Creator and King,
Come as a baby for all, for me?
Beautiful savior, my God, my Friend
I am in awe of You
I am in awe of you.
