CHORUS:

We're children of the King  
Lift your head up high  
Show the whole world why  
We're children of the King  
Filled with power for this hour  
We're children of the King  
As revival fire spreads throughout this land  
Lifting Jesus higher, we will take a stand  
And together we have eternity to praise Him  
To praise Him

CHORUS

Set the captive free, hear our battle cry  
Building liberty, that's why Jesus died  
And together we have eternity to praise Him  
To praise Him
