I can't stay here anymore
There's no time for me to hideaway
Waste another day
But You oh Lord I can't ignore
Or the chance to know that I can change
Before it's too late
Here and now - I lay it all down
I take the road that leads to You
I won't look back, I won't turn around
I give myself away to You
Here and now - I lay it all down
I give myself away to You today
It's a mystery to me
How I'm tempted by the lies that shine
Make me blind
I try to run - try to flee
From the sin that's had me hypnotized
I've realized
Here and now - I lay it all down
I take the road that leads to You
I won't look back, I won't turn around

I give myself away to You
Here and now - I lay it all down
I give myself away to You today
I can't stay here anymore
There's no time for me to hideaway
Here and now - I lay it all down
I take the road that leads to You
I won't look back, I won't turn around
I give myself away to You
Here and now - I lay it all down
I give myself away to You today
I give myself away
