I've sinned come on my knees- for I'm not worthy of
Your love
How could You die for me such grace could only come
from God
Oh, Lord you search and You know me- You see me
inside out
God, You alone can forgive me- erase my fear and
doubt
Father You pick me up- I feel like a child in your arms
I don't deserve this love but, I hear your voice Lord
Jesus
Chorus:
Go & sin no more
He said "I will not condemn you, I'll forgive
and I'll forget it all
Go & sin no more
"My child let me remind you it is I who'll
lead and guide you as you go"
You are my purpose- You are the reason that I live
I want to be like You- Help me to love and to forgive
God let me not be distracted- Lord help me focus on
you
Keep sin from ruling my life, Lord- Make me holy and
pure
Father you pick me up- I feel like a child in your arms
I don't deserve this love but, I hear your voice Lord
Jesus
Chorus
Wipe, wipe away
Take, take away
Break, break away
Fill my life, make it right
Father help me, Father help me GO
Chorus
He said "I will not condemn you, no"
Go & sin no more
"My child let me remind you it is I who'll lead and guide
you as you GO"
I've sinned come on my knees how could you die for
me
You search my heart- know my thoughts
See me inside out and all throughout me

You alone can forgive me
You always pick me up- like a child in Your arms
I could stay with You forever here
Repeat
