"Me Without You"

Like a band without a drummer
That's me without you
Like a year without a summer
That's me without you
Like a king without a country
Like a room without a view
Like an empty gun
Like a father less son
That's me without you
Like a ship without a rudder
That's me without you
Like a child without it's mother
That's me without you
Like a story with no ending
Like a foot without a shoe
Like a wasted feast
Like a faithless priest
That's me without you
Chorus:
Me without you
A pitiful sight
Me without you
it ain't never gonna feel right
Like a war without an enemy
That's me without you
A disease without a remedy
That's me without you
Like a crime without a victim
Like a sleuth without a clue
Like an empty gun
Like a fatherless son
That's me without you
Chorus
Without you...
Repeat
