O Holy night the stars are brightly shining
It is the night of our dear Savior's birth
Long lay the world in sin and error pining
Til He appeared and the soul felt it's worth
A thrill of hope the weary world rejoices
For yonder breaks a new and glorious morn
Fall on your knees
O hear the angel voices
O night divine!
O night when Christ was born
O night divine!
O night, O night divine!
Truly he taught us to love one another
His law is love and his gospel is peace
Chains shall He break
For the slave is our brother
And in His Name, all oppression shall cease
Sweet hymns of joy in grateful chorus raise we
Let all within us praise his holy name
Christ is the Lord!
O praise His name forever
His power and glory ever more proclaim!
His power and glory ever more proclaim!
Fall on your knees
O hear the angel voices
O night divine!
O night when Christ was born
O night divine!
O night, O night divine!
Night
Night divine
Night divine
Night divine!
