One small child in a land of a thousand  
One small dream of a Savior tonight  
One small hand reaching out to the starlight  
One small Savior of love  
One small Savior of love.  
One king bringing his gold and his riches  
One king ruling an army of might  
One king kneeling with incense and candlelight  
One king bringin us life  
One king bringing us life  
See the shepherds kneeling before Him  
See the king's on bended knee  
See the mother praising the Father  
See His tiny eyelids fall  
One small child in a land of a thousand  
One small dream of a Savior tonight  
One small hand reaching out to the starlight  
One small Savior of life  
One small Savior of life.  
See the shepherds kneeling before Him  
See the king's on bended knee  
See the mother praising the Father  
See His tiny eyelids fall  
See the shepherds kneeling before Him  
See the king's on bended knee  
See the mother praising the Father  
See His tiny eyelids fall  
See the shepherds kneeling before Him  
See the king's on bended knee  
See the mother praising the Father  
See His tiny eyelids fall  
See the shepherds kneeling before Him  
See the king's on bended knee  
See the mother praising the Father  
See His tiny eyelids fall  
See the shepherds  
See the kings  
See His Mother  
See His Tiny eyelids fall.
