CHORUS:

True love,  
Talking 'bout true love  
Gotta have real (God's) love.  
Whatcha gonna do?  
True Love.  
Love don't hate,  
Love don't play thouse games with your mind.  
Love forgives,  
And true love lives forever and all time.  
I'll never treat you like a stranger,  
Turn my back in times of danger.  
Love don't act that way,  
I said love don't act that way.

CHORUS

Love is patient.  
Love is Kind.  
Love won't let you down.  
It won't deceive.  
Love will never keep the past around.  
Never worries, never lies,  
no it never leaves you, never dies.  
Love don't act that way.  
I said love don't act that way.

CHORUS
