Darling did you know that I
I dream about you
Waiting for the look in your eyes
When we meet for the first time

Darling did you know that I
I pray about you
Praying that you will hold on
Keep your loving eyes only for me

cuz I am waiting for
Praying for you darling
Wait for me too
Wait for me as I wait for you

cuz I am waiting for
Praying for you darling
Wait for me too
Wait for me as I wait for you
Darling wait..Darling wait

Darling did you know I dream about life together
Knowing it will be forever
I'll be yours and you? I'll be mine

And darling when I say
Till death do us part
I'll mean it with all of my heart
Now and always faithful to you

cuz I am waiting for
Praying for you darling
Wait for me too
Wait for me as I wait for you

cuz I am waiting for
Praying for you darling
Wait for me too
Wait for me as I wait for you
Darling wait..Darling wait

Now I know you may have made mistakes
But there's forgiveness and a second chance
So wait for me
Darling wait for me
Wait for me
Wait for me

Chorus x4

Darling wait..Darling wait

Wait for me..Darling wait

Cuz i'm waiting for you..Cuz i'm waiting for you
So wait for me..Darling wait
Wait for me
