Whatever the cost

From this day on-until forever

I will take the narrow road

For I am not alone

I do not walk this road alone

## Chorus ##

Yes I believe in God

This I will say to u

Mean it death or mean it life

O! I believe in God

For I have found the way

I am not ashamed

I have found the way

So through the fire

I'll be revised

And if that fire

Were to take this life

I'll be with him forever

I will be with him forever

## Chorus ##

You said

"If any man comes after Me  
He must deny himself take his cross  
And follow after Me"  
So here I come after u  
Knowing when my life i lose  
And give yours in return  
Give you new life in return
