Well your all dressed up
and you had someplace to go.
Yea you waited so long just to get into my show.

chorus:
dont you know
that your not invited
dont you know
its why im back here

backstage
theres no backstage for you
because backstage
theres not enough room for you.

waited till the last song
then you made your move.
drink after drink
till ya got something to prove.
sweetheart.

Chorus
dont you know
that your not invited
dont you know
its why im back here

backstage
theres no backstage for you
because backstage
theres not enough room for you.

you look so foxy
yea your band is something new.
and your telling all your friends that i wouldnt talk to
you
no

chorus:
dont you know
that your not invited

dont you know
its why im back here

backstage
theres no backstage for you
because backstage
theres not enough room for you.
