"Boy Like You"

Visit "[Boy Like You](#)" on MotoLyrics.com

I wanna be with a boy like you
I said i wanna be with a boy like you (oh yeah)
Patty said, you're a pest.
But i wanna be with a boy like you
I wanna go wherever you go
It's ok my folks don't need to know (oh yeah)
I don't care if you don't wash your hair
'cause i wanna be with a boy like you

You're the toughest boy in the school
And my daddy's afraid of you (oh yeah)

I wanna be with a boy like you
(be with a boy like you)
I said i wanna be with a boy like you
(i wanna be with a boy like you)
Like you
