You look like you only slept for an hour  
You smell like you havent taken a shower  
And your hair is so dirty  
It makes you look like your thrity  
Pants are sung way too low  
I see stuff i don't wanna know  
I wonder why your so moddy  
Is it cuz u got no booty?

Baby please you must be outta your mind  
Do i look like i want your dirty denim?  
Listen up im only sayin this one more time (one more time)  
Can you hear me say i didn't want your dirty denim

Dirty denim3x

I hate to say it but their all the same  
Even everybody nos their name  
How can they brake me heart  
If i cant even tell them apart  
I can tell that you think I'm impressed  
But do you think ur gonna give me ur address?  
Cuz if you do I got bad news  
I wasn't winkin, that was just the booses

Baby please you must be outta your mind  
Do i look like i want your dirty denim (dirty denim)  
Listen up im only sayin this one more time (one more time)  
Can you hear me say i didn't want your dirty denim (dirty denim)

I don't want your  
I don't need your  
I don't want your  
I don't need your  
I wouldn't pay \$200 to look like that  
Your the kinda guy that won't draw back

Baby please you must be outta your mind

Do I look like i want your dirty denim(dirty denim)  
Listen up im only sayin this one more time (one more  
time)  
Can you hear me say i didn't want your dirty denim  
(dirty denim)

Dirty denim 3x
