Get in the dynaride  
Vinyl on Naugahyde  
I'm wired  
I'm ready to go  
He's tired  
Shove him out the door

Rock'n'Roll all weekend long  
It starts Friday at the break of dawn  
Doin' donuts on my nieghbor's lawn  
Rock'n'Roll all weekend long

Tonight I'm drinking for two  
That's all i learned in school  
Davie's Hotdogs is across the street  
Drop in for some foot-long meat

Rock'n'Roll all weekend long  
It starts on Friday at the break of dawn  
Doin' donuts on my nieghbor's lawn  
Rock'n'Roll all weekend long

Play in the fridge in the junk yard  
Shoot BB guns in my backyard  
It's pain but i can't complain  
It's the sugar in my viens

Rock'n'Roll all weekend long  
It starts on Friday at the break of dawn  
Doin' donuts on my nieghbor's lawn  
Rock'n'Roll all weekend long
