My heart needed a vacation
I had to change the radio station
I just wanted somethin new
And I needed someone new to do
I caught his eye, he touched my thigh
Guess I'm gonna have to lie, yeah
So don't get me busted
'Cause he'll never know, if you don't get me busted
So I went to the corner store to see if the cute guy was
there anymore
He was busy in the back
So I began to plan my attack
I caught his eye, he touched my thigh
Guess I'm gonna have to lie
I know that
So don't get me busted
'Cause he'll never know if you don't get me busted
Things didn't go as planned
You saw us kissin' by the hot dog stand
Now I don't know what to do
Don't make me have to get rid of you
I caught his eye, he touched my thigh
Guess I'm gonna have to lie, I know that
So don't get me busted
'Cause he'll never know if you don't get me busted
I've been bad
So don't get me busted
'Cause he'll never know if you don't get me busted
