

Donnas, The "Get Outta My Room"

I like my music loud
Close my eyes and see a crowd
Day dreamin' on my bed
Neon lights in my head
Cinderella on my TV Video games killin' me.
Posters of Ratt and Miami Vice
Doin' time with Ginger Spice
Get the hell out, get outta my room
And take your hands off the volume
I need to shout, get outta my room
Leave me alone, get outta my room
Let's party, we're all here
Gettin' stuffed on salami and beer
Jumped to hard, my bed's broke
Smoke so thick think I'm gonna choke
Now the neighbors are around
Says turn that shit down
I'm not breakin' the law
I wanna break you jaw
Get the hell out, get outta my room
And take your hands off the volume

I need to shout, get outta my room

Leave me alone, get outta my room
