Got to lock my door tonight  
Gonna have a party alright  
All my friends are coming over tonight  
Gonna have a huffin' party tonight

Got to lock my door tonight  
Gonna have a party alright  
All my friends are coming over tonight  
Gonna have a huffin' party tonight

Chorus:  
Yeah, yeah, gonna huff all night  
Yeah, yeah, gonna huff all night  
Yeah, yeah, gonna huff all night  
Yeah, yeah, gonna huff all night

Got to lock my door tonight  
Gonna have a party alright  
All my friends are coming over tonight  
Gonna have a huffin' party tonight

Got to lock my door tonight  
Gonna have a party alright  
All my friends are coming over tonight  
Gonna have a huffin' party tonight
