I just am
I never tried to be
And i got friends who can keep up with me
And when we're out we like to go full speed
You and me, yeah
You and me

I'm hyperactive
I can't help myself
I'm hyperactive
You should watch yourself
Cause i'm hedonistic and i stay up all night
And i don't know what's wrong
And i don't know wha's right
I'm hyperactive
I can't help myself
I'm hyperactive
You should watch yourself
Cause i'm hedonistic
know what i like to do
And baby i want to play with you

Runs in my genes
My triple energy
But i don't get triple morality
And i can try
But i'm not promising
To keep you safe
Baby if your with me
You and me, yeah
You and me

I'm hyperactive
I can't help myself
I'm hyperactive
You should watch yourself
Cause i'm hedonistic and I stay up all night
And i don't know what's wrong
And i don't know what's right
I'm hyperactive
I can't help myself

I'm hyperactive
You should watch yourself
Cause i'm hedonistic
know what i like to do
And, baby, i want to play with you
