The Donnas - I Didn't Like You Anyway

You told me that
It just couldn't be
You don't want to go out with me

No, I'm not sad
I don't even care
Cuz dumb boys like you are everywhere

Yeah, that's right

[CHORUS :

(So) B-O-R-I-N-G
Too bad you're not the boy for me
B-O-R-I-N-G
I wanted something quick and easy

I didn't like you anyway
I was just looking for fun, uh-huh
I didn't like you anyway
I'm a speed demon on the run

You thought I would be broken hearted
Maybe I would be if you weren't so retarded
I asked your name
You don't even know
You should have dumped me on that talk show

CHORUS

I think that nasal spray got to your brain
I knew you were lame from your wallet chain
A Boston baked bean is the size of your head
I heard you even wet your bed

CHORUS

I didn't like you
I didn't like you
