I wanna be a unabomber
History teacher you're a goner
It's no fun to sit at home
Watching 90210
(oh yeah) oh no
(oh yeah) oh no

I hate all the kids at school
They all think that they're so cool
They just like to sit and taunt me
Turn those kids into salami

(oh yeah) oh no
(oh yeah) oh no

Where's my friend she (i don't know)
Maybe it's between your toes
(she said monday ???)
Looks like your head ???

I wanna be a unabomber
History teacher you're a goner
It's no fun to sit at home
Watching 90210
