Iâ€™m not obsesses, I could care less
I just want to get you undressed
The less you talk, the more you say
Donâ€™t let the words get in the way

Itâ€™s so hard to be on your own
When youâ€™re holdinâ€™ it all alone
And youâ€™ve been workinâ€™ to the bone
Itâ€™s so hard, itâ€™s so hard

Youâ€™re just another guy
with a wonderinâ€™ eye
And Iâ€™m just a Gemini
I donâ€™t see whats the harm
If we donâ€™t set off the alarm

Donâ€™t mind if I do
Thereâ€™s something I wanna show you
Donâ€™t mind if you donâ€™t
Remember this baby cause I wont
