You should've seen by the look in my eyes, baby
There was somethin missin
You should've known by the tone of my voice, baby
But you didn't listen
You played dead
But you never bled
Instead you lay still in the grass
All coiled up and hiss'n
And though I know all about those girls
Still I don't remember
Cause it was us baby, way before then
And we're still together
And I meant, every word I said
When I said that I love you I meant
That I love you forever
And I'm gonna keep on lovin you
Cause it's the only thing I wanna do
I don't wanna sleep
I just wanna keep on lovin you
And I meant every word I said
When I said that I love you I meant

That I'd love you forever

And I'm gonna keep on lovin you

Cause it's the only thing I wanna do

I don't wanna sleep

I just wanna keep on lovin you
