You pulled me over and I pulled you in.
C'mon officer lets go for a spin.
Cuz I got nothin better to do.
And I just wanna make out with you.

Now you wanna rock, rock, rock'n roll.
Now you even wanna smoke a bowl.

Gimme your badge, baby,
Gimme your gun.
Gunna show you how to have some fun.

Police blitz all night long,
Gunna party like Cheech and Chong.
Lets go drink some Schlits
Its a police blitz!

Roll up the windows,
Make it air tight.
Breakin' the law never felt so right.

Gimme a kiss,
Gimme all that you got.
C'mon hit me with your best shot.

Police blitz all night long,
Gunna party like Cheech and Chong.
Lets go drink some Schlits
Its a police blitz!

Lets go drink some Schlits
Its a police blitz!
