Backyard rooftop let's get dirty
Syrup sinks in by ten thirty
Superstitious so delicious
I'm your smokestack mystery (woaah woaah woaah)

Midnight playoff iced and naked
Low down go round no one's sacred
Green temptation kind donation
Freshmen butter gonna break it in (woooah)

I've got something bad for you
I've got it bad for you

(wooah)

You can't stop it, yeah we're goin' under
Just let it roll
I'm a gonna smoke you out!
You can't stop it, now we're going under
Just let it go
Child, I'm gonna smoke you out!

Shotgun rhinestone takin' you over
Poison arrow make you dance a little slower
Hocus Pocus losin' your focus
To get high you gotta go lower, ooh!

(woooah)

I've got something bad for you
I've got it bad for you

(wooah)

You can't stop it, yeah we're goin' under
Just let it roll
I'm a gonna smoke you out!
You can't stop it, now we're going under
Just let it go
I'm gonna smoke you out!

So slide under the cover of a crystal coated ride
Tote pole trapeze lover
So take it easy and you could be mine!!
