Don't wanna go to the mall, don't wanna go to the movies. I think we've done it all, just take me to the backseat.

Don't wanna hear you talking, don't wanna play your game. Let's get this baby rockin' just take me to the backseat.

You don't wanna get high, I don't wanna get low. So c'mon let's go and get on it, yeah.

Chorus:

Honey please,
Just take me to the backseat,
Just take me to the backseat.
Where no one else can see,
I know you're into me,
Just take me to the backseat,
And get ready for me, honey please.

Verse:

Don't wanna be your friend,
Don't try to take me home. This won't happen again,
Just take me to the backseat. You don't wanna get high,
I don't wanna get low. So c'mon let's go
and get on it yea.

Chorus:

Honey please,
Just take me to the backseat,
Just take me to the backseat.
Where no one else can see,
I know you're into me,
Just take me to the backseat,
And get ready for me, honey please.

Bridge:

Do you need a map?
Let's get the night cap.
I'll make it sticky sweet.

Chorus:

Honey please,

Just take me to the backseat,
Just take me to the backseat.
Where no one else can see,
I know you're into me,
Just take me to the backseat,
And get ready for me, honey please.
