I didn't sleep at all last night, it don't matter
No way I'm gonna make my fight, it don't matter
Well, who needs sleep 'cause you never know
I got nowhere to go

Tonight's alright with me
Don't stop the rock, don't stop the beat
Tonight's alright with me
Don't stop the rock, don't stop the beat

I threw it down but they declined it, it don't matter
Don't wanna be reminded, it don't matter
Well, who needs that, don't wanna pay
I got my own anyway

Tonight's alright with me
Don't stop the rock, don't stop the beat
Tonight's alright with me
Don't stop the rock, don't stop the beat

Making the same demand
I really don't give a damn
Under no command
'Cause I just don't give a damn, yeah

Didn't sleep last night and it doesn't matter
Hey, the money's tight and it doesn't matter
Well, who need sleep 'cause you never know
I got nowhere to go, oh no

Tonight's alright with me
Don't stop the rock, don't stop the beat
Tonight's alright with me
Don't stop the rock, don't stop the beat

Tonight's alright with me
Don't stop the rock, don't stop the beat
Tonight's alright with me
Don't stop the rock, don't stop the beat

Tonight's alright with me

Don't stop the rock, don't stop the beat
Tonight's alright with me
Don't stop the rock, don't stop the beat
