we don't go

We dont go, everybody says so  
We dont go, go back to pescadero  
We dont go, everybody says so  
We dont go, go back to pescadero  
We dont go, and everybody says siyoo  
Everybody says siyoo  
Everybody says siyoo  
Everybody says siyoo  
Everybody says siyoo (wawa-oo)

Baby baby youre such a goner  
You wanna go out but i dont wanna  
Youve been hanging, hanging out at pollos  
Running round, acting like a yo yo

I dont wanna be with you tonight  
So its bye bye baby, bye bye baby  
Bye bye baby, bye bye baby to you  
One, two lets go

We dont go, everybody says so  
We dont go, go back to san mateo  
We dont go, everybody says so  
We dont go, go back to san mateo  
We dont go, and everybody says siyoo  
Everybody says siyoo  
Everybody says siyoo  
Everybody says siyoo  
Everybody says siyoo (wawa-oo)

When i'm a huffin  
And i get high  
I wanna be with some other guy  
And when we're hanging  
At the taco  
I think things that remind me of paco

I dont wanna be with you tonight  
So its bye bye baby, bye bye baby

Bye bye baby, bye bye baby to you  
One, two lets go

We dont go, everybody says so  
We dont go, go back to pescadero  
We dont go, everybody says so  
We dont go, go back to pescadero  
We dont go, and everybody says siyoo  
Everybody says siyoo  
Everybody says siyoo  
Everybody says siyoo  
Everybody says siyoo (wawa-oo)

Baby baby youre such a goner  
You wanna go out but i dont wanna  
Youve been hanging, hanging out at pollos  
Running round, acting like a yo yo

I dont wanna be with you tonight  
So its bye bye baby, bye bye baby Bye bye baby, bye  
bye baby to you One, two lets go
