I don't wanna be a bother too much  
I just wanna be the girl you wanna touch  
You make me cream in my jeans  
I wanna be the first like you never hurt  
And make you shudder inside

\*chorus\*

I said  
Wig wam bam  
I'm gonna make him my man  
Wam bam bam  
I'm gonna catch him if I can  
Wig wam bam  
I'm gonna make him understand  
Try a little touch, try a little too much  
Just try a little Wig Wam Bam

You can run but you can't hide  
I just wanna see all you got inside  
I wanna do it 'til you make me scream  
Take me by the hide, eyes open up wide  
And make me shudder inside

I said... \*chorus\*

wam bam bam sham a lam.....

I don't wanna be a bother too much  
I just wanna be the girl you wanna touch  
You make me cream in my jeans  
I wanna be the first like you never hurt  
And make you shudder inside

I said  
Wig wam bam  
I'm gonna make him my man  
Wam bam bam  
I'm gonnas catch him if I can  
Wig wam bam  
I'm gonna make him understand  
Try a little touch, try a little too much

Just try a little wig wam bam!
