Standing over there, Wagging your hair,  
There's something that you do!  
Long and mean, rock and roll machine  
I just wanna get with you

Come on, Come on,  
I just wanna tell you  
Come on, Come on,  
I just wanna touch you  
Come on, Come on,  
I'm talking to you  
You make me hot!

Yeah i wanna touch you,  
Yeah i wanna grab you,  
Yeah i wanna hold you tight.  
You can't run, you can't hide  
I just wanna get you tonight

Come on, Come on,  
I just wanna tell you  
Come on, Come on,  
I just wanna touch you  
Come on, Come on,  
I'm talking to you  
You make me hot!

Yeah i wanna touch you,  
Yeah i wanna grab you,  
Yeah i wanna hold you tight.  
You can't run, you can't hide  
I just wanna get you tonight

Come on, Come on,  
I just wanna tell you  
Come on, Come on,  
I just wanna touch you  
Come on, Come on,  
I just wanna grab you  
Come on, Come on,  
I'm talking to you

You make me hot! x4
