

St Leonards "A Peace"

A peace that is not known
Another king will take the thrown
You know I hate to be alone
All that's left is time a life you cannot buy
Just sit and watch them try
Yes I try
Open wings wont melt the sky
To the world we'll wave goodbye
You know I love that you are mine
Yes I try
Open wings wont melt the sky
To the world we'll wave goodbye
You know I love that you are mine
The news it makes you weak
Too afraid to hear you speak
Ourselves we will defeat
The things I could not hide
I changing all the time
When I have the time
Yes I try
Open wings wont melt the sky
To the world we'll wave goodbye
You know I love that you are mine
Yes I try
Open wings wont melt the sky
To the world we'll wave goodbye
You know I love that you are mine
A peace that is not known
Another king will take the thrown
You know I hate to be alone
