Let me breathe out
Now
Let me see the sun through the trees and the light in
your life
Are you afraid?
Do you feel ashamed?
Walk into the light and you'll find that you
never fear the dark again
Let me pretend

Let me breathe out
Now
Let me see the sun through the trees and the light in
your life
Are you afraid?
Do you feel ashamed?
Walk into the light and you'll find that you
never fear the dark again

Let me pretend
Let me scream out... Now Let me see the sun through
the trees and the light in your life Are you afraid? Now
you feel the change? Walk into the light and
you'll find that you never fear the dark
again Let me pretend
