The windows cold against my cheek IÃfÃçâ, -Ã™ ve
got this fear inside of me
Walked down the stairs onto the street
Looking for you in my heart
Now that I know that you are the one
And the tears started to fall
Cause its you I love and Its you I love

My face is worn from where IÃfÃçâ, -Ã™ ve been
IÃfÃçâ, -Ã™ ve got these dreams I want to live
I know your eyes I know your skin
Looking for you in my heart
Now that I know that you are the one
And the tears started to fall
Cause its you I love and Its you I love
IÃfÃçâ, -Ã™ ve been so tired I cannot sleep
Got so much love still left to give
Walked to the place we used to meet
Looking for you in my heart
Now that I know that you are the one
And the tears started to fall
Cause Its you I love and its you I love
